

Sponsored Walk  
Sunday 19 May  
10am

# War memorial to be renewed

The war memorial next to Dale Court (corner of Haines Way and the High Road) is in a sorry state of disrepair. We are organising its renewal and will pay part of the cost. We will be able to get some funding from the local councillors but will raise some of what is needed ourselves. This sponsored walk is part of that effort.

What we intend to do is:

- Replace the existing stone with a new one
- Add names of Leavesden residents who have fallen since World War I.  
Please help us to get a list of local residents who deserve to be named here.
- Lay a flower bed near the memorial – if funds permit.

We hope that the work for this will be done this year.

## Walk Details

We will meet by the Haines Way post office at 10am on Sunday 19 May 2013.  
When you arrive please report to a marshal so that we know who to account for.

The route is a circuit as follows:

- right onto the High Road
- up Hill Farm to the traffic lights
- left onto Airfield Way
- past the BT building and other offices
- at the second roundabout onto Ashfields
- at the traffic lights right
- at the roundabout right back onto the High Road

## How far is it ?

The circuit is about 1½ miles. You will need to do at least one, but the more energetic could do more, 5 or 6 circuits if you wish. An excellent way of walking your dog – get your dog sponsored as well!

Children under 12 must be accompanied by an adult.

## Sponsorship

Ask your friends and work colleagues to write a sponsorship amount per circuit on the form overleaf. Please bring this form with you when you do the walk.

If there are any funds left over we will use them for other community projects.
