## Home Insulation

We want to help reduce heating bills in Leavesden. A great way of doing this is by installing insulation. Savings are large, up to: lofts 25%, walls 40% and floors 10%. Payback is quick – especially with today's energy prices.

We will do a quick survey to see how well homes are insulated. Recent recommendations are for thicker insulation than might have been the case when (if) your home was insulated.

We will work with: WCH tenants and those who own their homes; houses as well as apartments.

Please work with us to make this a success.

## Public Meeting

Saturday 5<sup>th</sup> November 7pm  
At the YMCA Orbital Centre, Haines Way, WD25 7QU

We will ask a representative from Watford Community Housing about their plans to improve insulation in its properties.

Come and talk to your committee, tell us what we should be doing.

The meeting will be followed by our quiz evening.
